

EA/ExDir-Comp

In the attached letter to General Cushman, Bob Froehlke proposes that DoD establish secure on-line access to DoD CIRIS data stored in CIA computers. DoD has made CIRIS an integral part of its PPB system.

General Cushman has sent a copy to Bross for comment in a NIRB context. He would like to have Col. White's comment on Froehlke's proposal from an Agency policy viewpoint.

Remarks: <p>In the attached memo to General Cushman, Secretary Froehlke has proposed the establishment of a secure on-line capability to permit DoD to draw directly on the CIRIS data base stored in CIA computers. He proposes that the entire matter be taken up at the next NIRB meeting. Please give your recommendations to General Cushman.</p> <p style="text-align: right;">/s/ Karl</p>
